

H.E. Guy Parmelin, President of the Swiss Confederation Visits Noida International Airport

National, 6 October 2026: Noida International Airport (NIA) today welcomed **H.E. Guy Parmelin, President of the Swiss Confederation**, along with **H.E. Maya Tissafi, Ambassador of Switzerland to India**, **Hon'ble Minister Shri Sunil Sharma, Ministry of Electronics and IT, GoUP** and a high-level delegation of government officials and business leaders, for a visit to the airport.

During the visit, President Parmelin was received by the leadership teams of **Noida International Airport** and **Zurich Airport International AG**. The delegation was briefed on the airport's development journey, sustainability initiatives, passenger experience philosophy, and future growth plans. The visit also reflected the Government of Uttar Pradesh's continued focus on attracting investment and its strong support for infrastructure-led growth in the region.

As part of the visit, the delegation toured key airport facilities, including the passenger terminal, ATC and key airside infrastructure, gaining first-hand insight into the airport's design, technology, and operational capabilities. The visit also provided an opportunity to showcase Noida International Airport's commitment to delivering a seamless, modern and efficient travel experience while supporting regional economic growth and connectivity.

Christoph Schnellmann, Vice Chairman, Noida International Airport, said:
"It was a privilege to welcome H.E. Guy Parmelin and the accompanying delegation to Noida International Airport. The visit provided an opportunity to present the progress made across the airport and the approach guiding its development and future operations. Drawing on Zurich Airport's International experience, we remain focused on providing a safe, efficient and passenger-centric airport that will serve Delhi NCR and Uttar Pradesh for the long term."

About Noida International Airport

Noida International Airport (IATA code - DXN) connects the greater Delhi area and Western Uttar Pradesh with other cities in India and the world. This world-class airport offers rich experiences and comprehensive commercial attractions to its passengers. NIA is committed to an ambitious net zero emissions goal supported by sustainable design and operations principles.

Yamuna International Airport Private Limited (YIAPL) was established for the development, construction and operation of the greenfield project - the Noida International Airport. The company, a 100% subsidiary of Zurich Airport International AG, is responsible for the implementation of the public-private partnership project in close partnership with the Government of Uttar Pradesh and the Government of India. The concession period for Noida International Airport commenced on October 01, 2021, and will run for 40 years. The airport's masterplan provides for further development over the duration of the concession to serve over 70 million passengers annually. For more information, please visit www.niaairport.in.
